12 Confirmation of identity

When registering transfers, charges, leases and other dispositions of land, or giving effect to a discharge or release of a registered charge, Land Registry relies on the steps that conveyancers take, where appropriate, to verify the identity of their clients. These checks reduce the risk of property fraud.

Where a person was not represented by a conveyancer, Land Registry requires 'evidence of identity' in respect of that person, except where the first alternative in panel 13(2) applies.

'Evidence of identity' is evidence provided in accordance with any current direction made by the Chief Land Registrar under section 100(4) of the Land Registration Act 2002 for the purpose of confirming a person's identity.

If this application is to register a transfer, lease or charge, or to give effect to a discharge in Form DS1 or a release in Form DS3 complete one of the following

Following your recent instructions, we are writing to confirm our general terms of engagement and charging which constitute the basis upon which we will carry out work on your behalf.

Most of the work in connection with this matter will be carried out by { MERGEFIELD CALCULATION_FEE_EARNER_DESCRIPTION } and you can also contact their assistant who will be familiar with the file and will be able to help you or take a message.

However, should there be any aspect of our service with which you are unhappy, you should notify the person concerned in writing immediately and we will endeavour to resolve matters.

A broader outline of our work in a Conveyancing transaction is:

- Checking the title to the property;
- Approving and amending the draft Lease (where necessary) received from the lessor's solicitors;
- Completing the matter

I will let you know once the draft Lease has been received and will forward it you for your approval. Once the Lease is approved I will send this to you for you to sign or ask you to call into the office to sign it with me in readiness for completion.
