It may be necessary to update the details of any items within the matter history of a client, such as changing the description of an email, or adding a processed date to a scanned document.

## Accessing the Edit Details Screen

---

Right click the item and click Edit.

A screenshot of a file list interface. The list contains nine items, each with a file icon, a file ID, and a client name. The second item is highlighted in blue. The items are as follows:

File Icon	File ID	Client Name
