You can install the Osprey apps to your phone, tablet or desktop PC, allowing you to time record, produce letters or add clients and matters etc. on the go, or when you are back at your desk.

Install on your PC

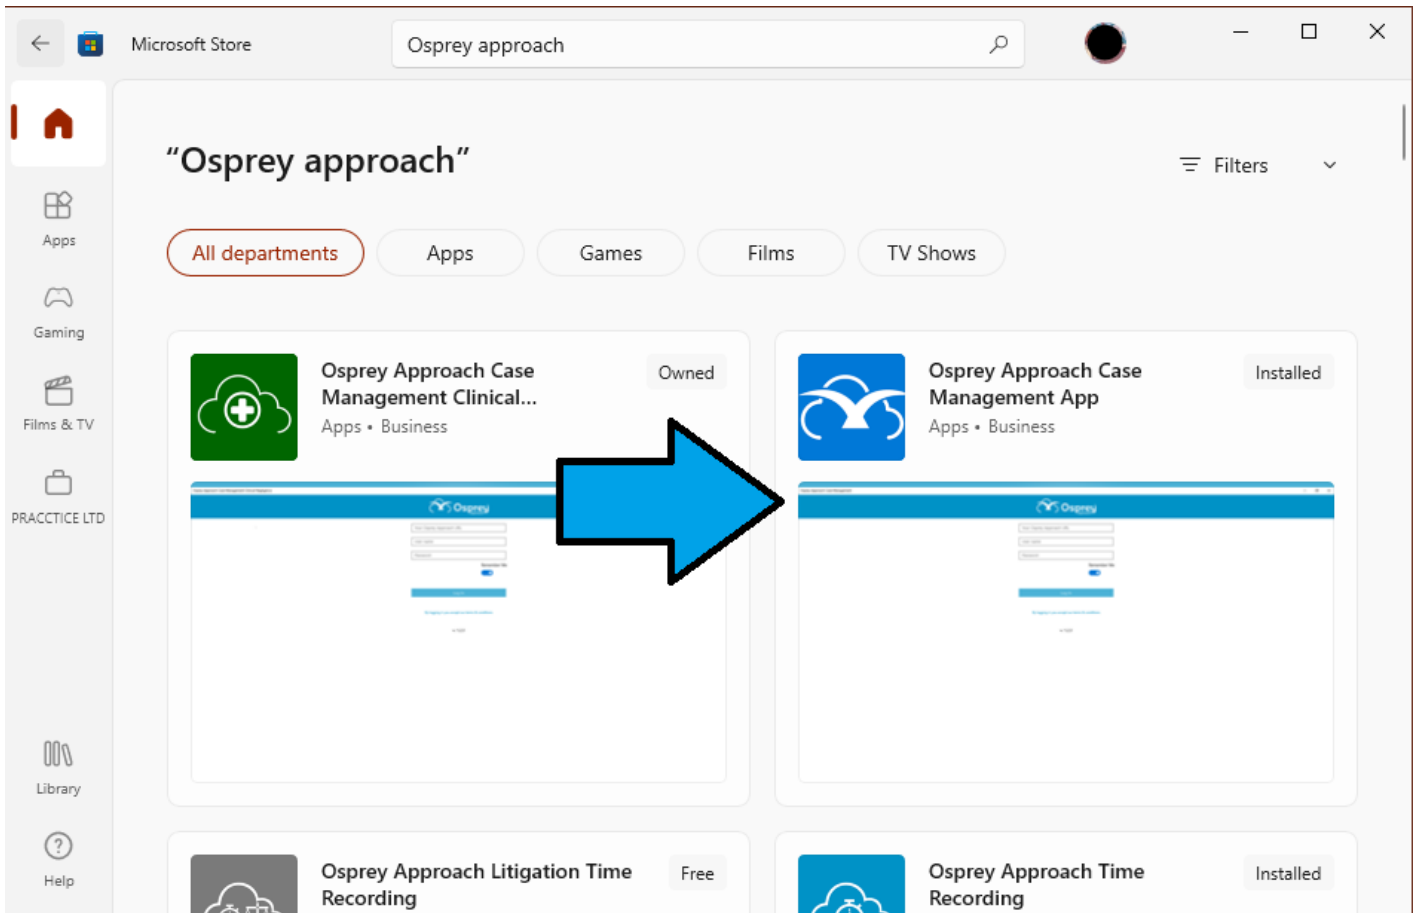

You can [click here to the Case Management App store page](#) and then selecting **Get in Store App**.

Alternatively, to install the Osprey Case Management App on your PC, open the Microsoft Store. In the search bar at the bottom left of your PC, type **Store** and select **Microsoft Store** from the list.

Once in the store, click the Search box and type in **Osprey Approach**, and click Search. Select the Osprey Approach Case Management App.

The **Osprey Approach Case Management** app also includes Time Recording and Cheque Requisitions (starting v3.0.0)

Once installed, you can launch the app from the store or from the Windows Start Menu.

On the first login to any of the apps, you will be prompted to enter your Osprey URL:
