

# Osprey Approach: Installing the Osprey App from Microsoft Store

This help guide was last updated on  
Feb 14th, 2024

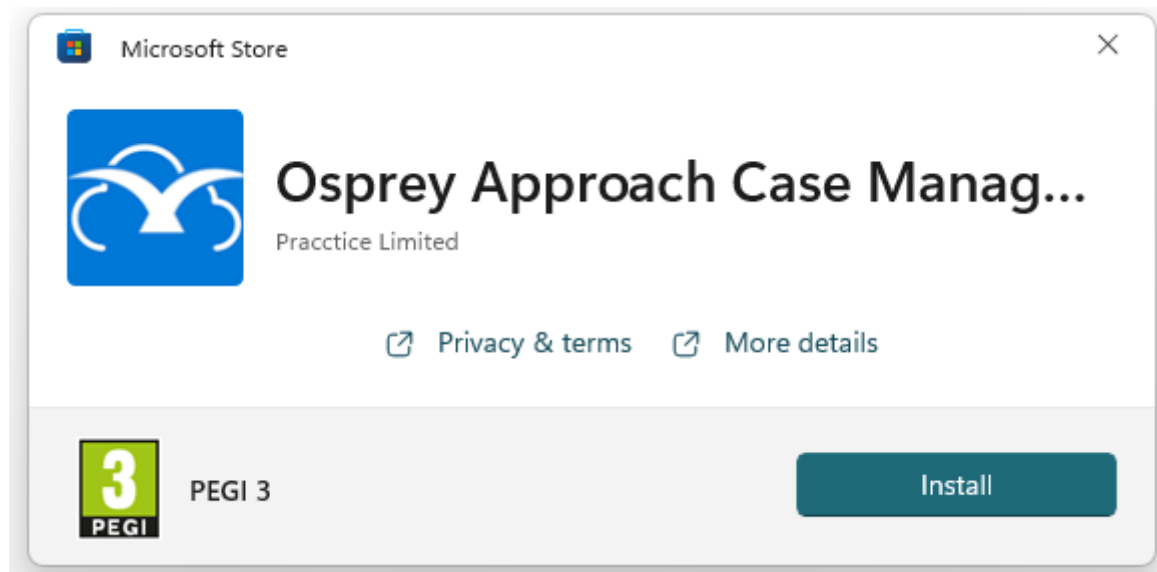

The latest version is always online at  
<https://support.ospreyapproach.com/?p=55468>

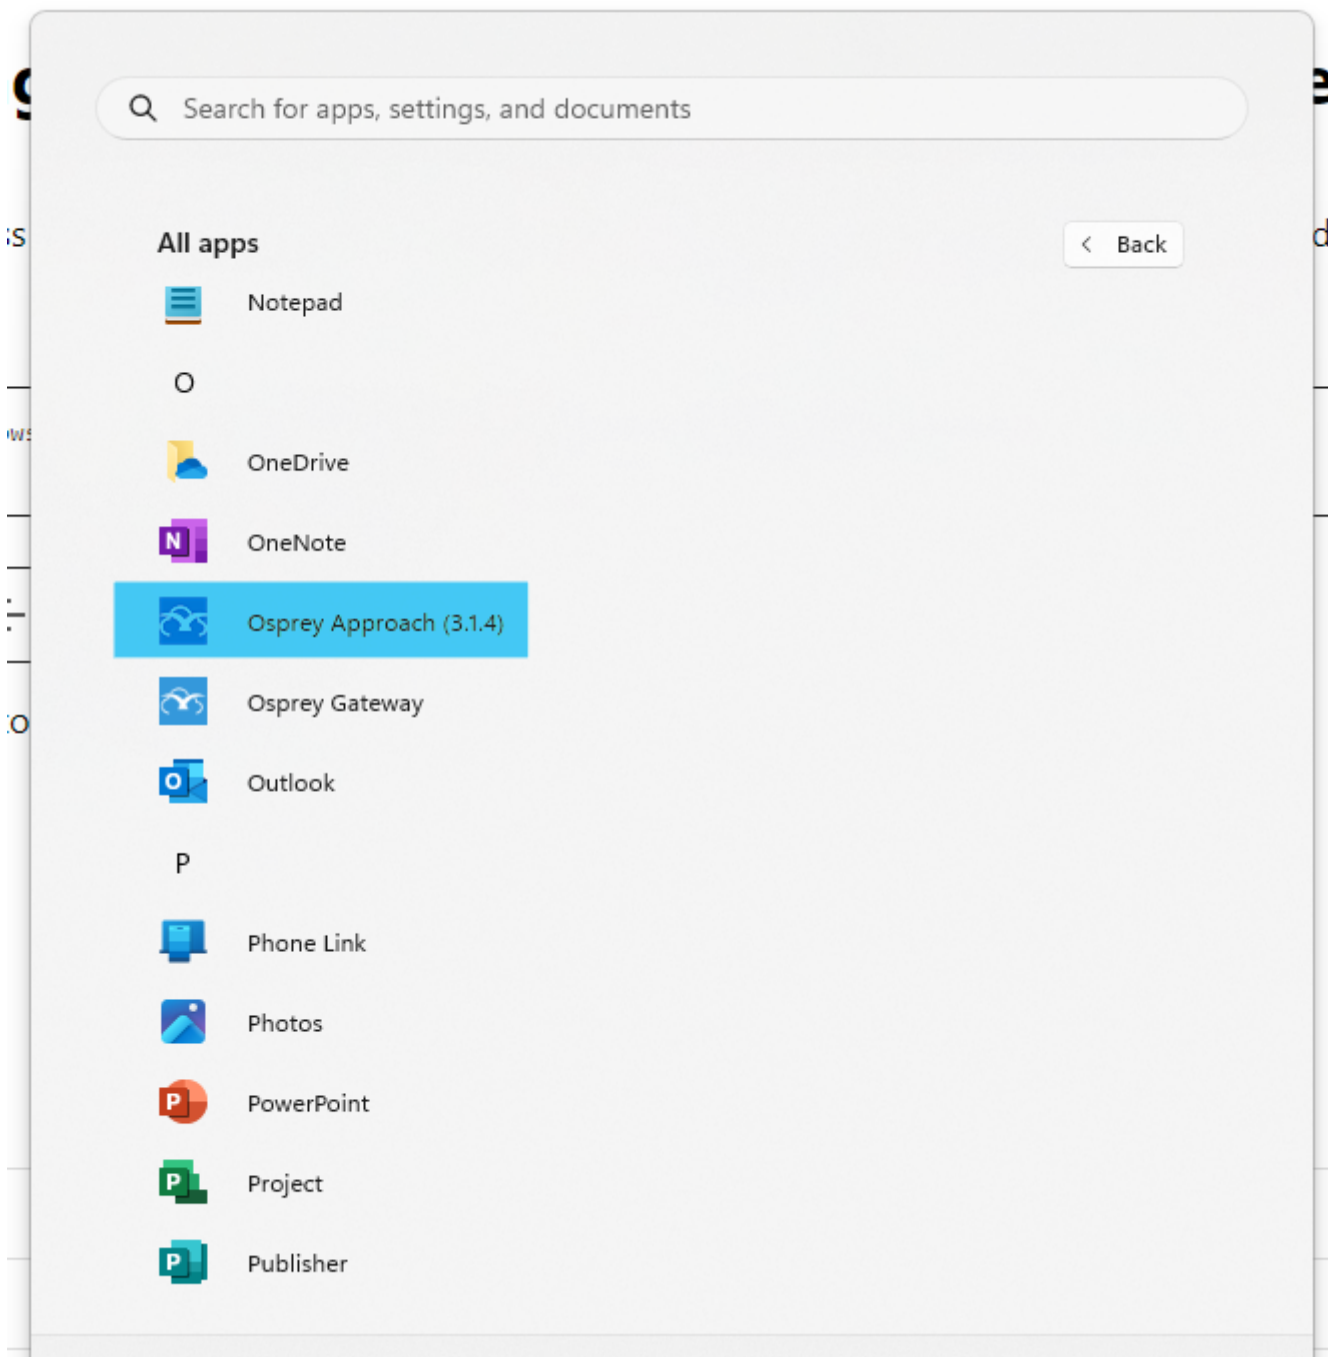

If you have access to the Microsoft Store, downloading and installing the Osprey Desktop App could not be easier.

[Click here to Install from Microsoft Store](#)

[Click Download](#) to install it to your PC.

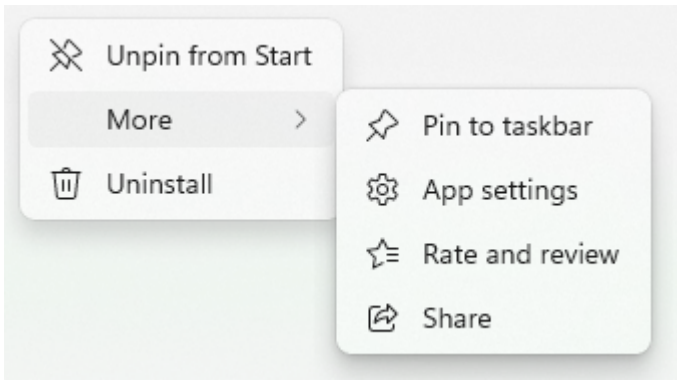

Once installed, you can locate the App directly from your Start Menu

## Pinning to Taskbar/Start Menu for Easy Access

---

Right-Click the App from the start menu to be able to Pin it to your Start Menu, or your Taskbar, for easy access.

# Check For Updates

Open the Settings page using the Below link.

Click [here](#) to open the Microsoft Store Library  
Once the Microsoft Store Library has opened, select "Get Updates" to Check for Updates, and then "Update All" to install all updates.
