If you have access to the Microsoft Store, downloading and installing the Osprey Desktop App could not be easier.

[Click here to Install from Microsoft Store](#)

[Click Download](#) to install it to your PC.

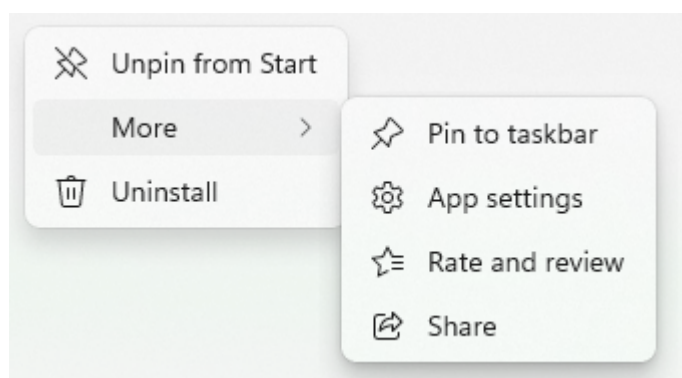

Once installed, you can locate the App directly from your Start Menu

Pinning to Taskbar/Start Menu for Easy Access

Right-Click the App from the start menu to be able to Pin it to your Start Menu, or your Taskbar, for easy access.

Check For Updates

Open the Settings page using the Below link.

Click here to open the Microsoft Store Library

Once the Microsoft Store Library has opened, select "Get Updates" to Check for Updates, and then "Update All" to install all updates.

The screenshot displays the Microsoft Store Library interface. On the left is a navigation sidebar with icons for Home, Apps, Gaming, Films & TV, and Help. The main content area is titled 'Library' and shows 'Updates & downloads (9)'. At the top right of this section are 'Update all' and 'Get updates' buttons. Below is a list of nine applications, each with a status of 'Ready to download' and a download button. The applications are:
