Using Osprey, you will be able to record Counsel's fees on any legal aid matter on the system. This guide will assist you in achieving this.

When Counsel's fees are paid directly by the Legal Aid board, a record will be needed on Osprey to account for them.

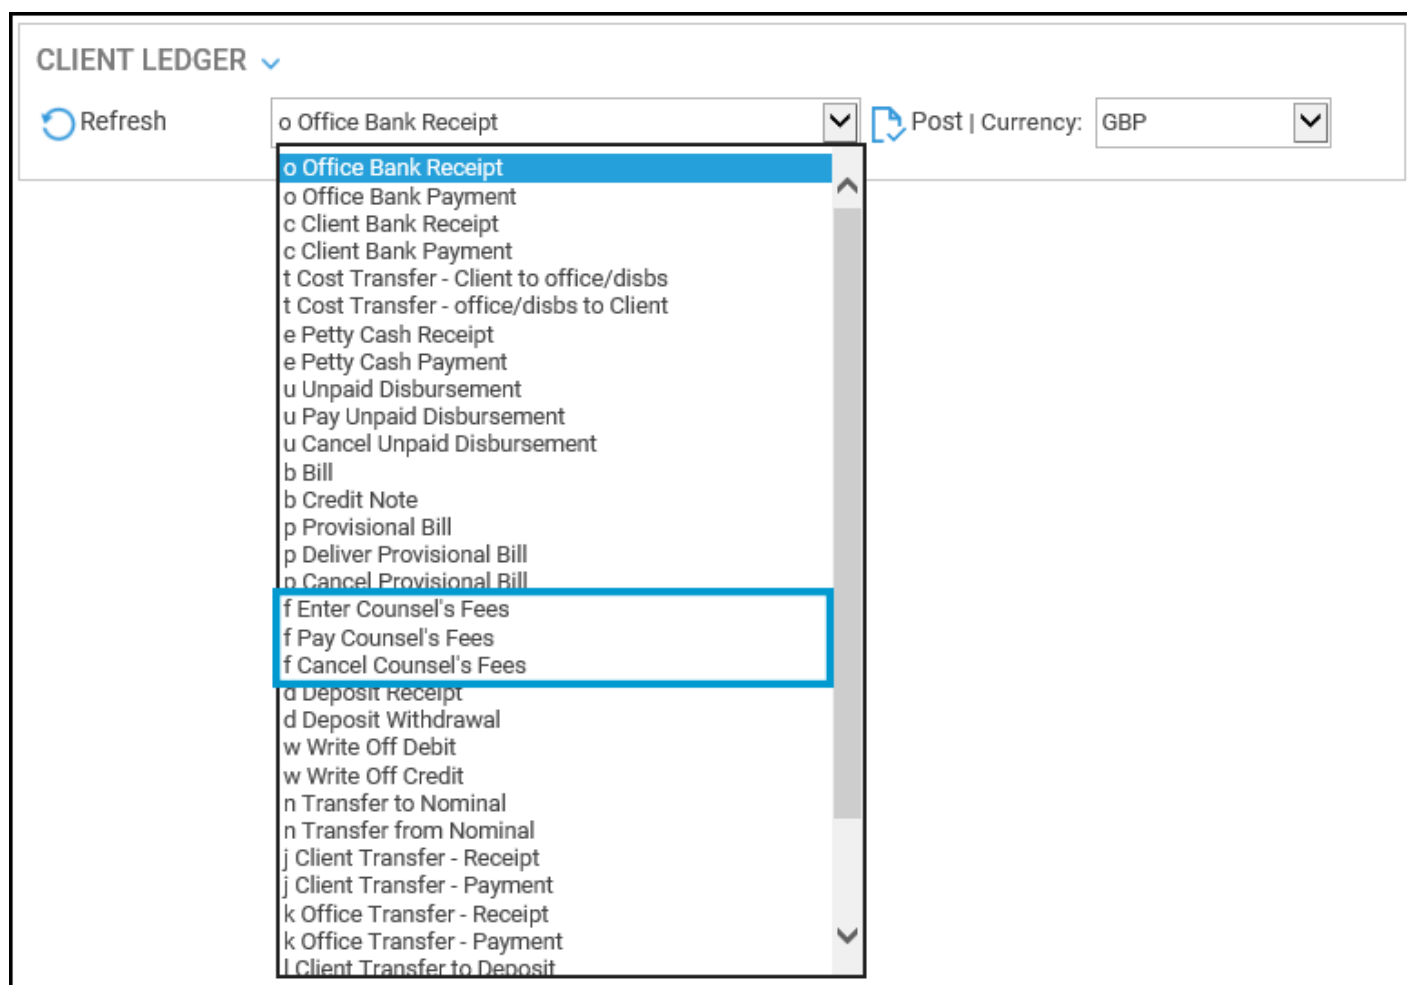

Please note that the matter has to be Legal Aid for the relevant posting types to appear.

To post your Counsel's fees, navigate to the Client Ledger tab in Osprey.

You will now be able to select one of the three posting types from the 'Posting Type' drop down list.

Simply select the list to view the relevant types, as below.

**Enter Counsel's Fees:** Will allow you to enter details of the fee to be paid.
