To choose the period you want to print, select the relevant year and period number from the top of the screen.

The screenshot shows a software interface with a light blue background. At the top left, there is a 'Print' button with a printer icon. To its right is a 'Toggle Selection' button with a circular arrow icon. Below these buttons, there are four filter fields:

- Branch:** A dropdown menu showing 'ALL'.
- Currency:** A dropdown menu showing 'Pound Sterling'.
- Year:** A dropdown menu showing '4' with a date range '01/11/2019 to 31/10/2020' to its right.
- Period:** A dropdown menu showing '5' with a date range '01/03/2020 to 31/03/2020' to its right.

All period end reports will be ticked by default, to untick them all to allow you to select only one or two reports for example, click the Toggle Selection button at the top of the screen.

Year End

Selecting Year End will give you the following options:

- Nominals - complete listing of all nominal ledgers for the year.
- Purchase Ledgers – complete listing of all purchase ledgers for the year.
- Trial Balance – with brought forward figures.

To reprint Year End reports, select the report you would like to print at the top of the screen. Then choose the Year you would like to print.
