Osprey Approach: Reports: Suggested PL Payments

This help guide was last updated on Nov 17th, 2021

The latest version is always online at https://support.ospreyapproach.com/?p=32776

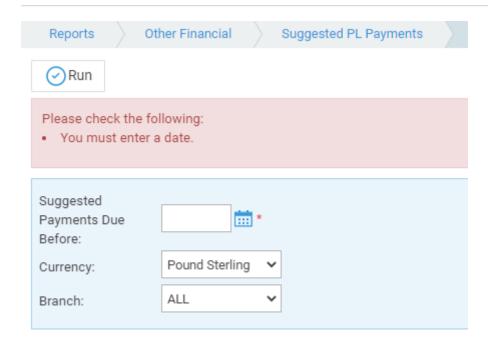

This report shows suggested payments to purchase suppliers based on their payment terms and how long the invoices have been outstanding. Payment terms can be set against each purchase ledger in the Credit Terms section of the Edit Purchase Ledger Details screen:

Suggested PL Payments example

Filter Options

• Suggested Payments Due Before - Enter the end date of your search here. For example, to see which suppliers need to be paid before the end of this month, enter your month end date here. Date is required

- Currency Select the currency you wish to report on
