This guide will explain how to understand your Client Ledger

The Client Ledger is where you will find all of the monetary transactions you have made on behalf of your client. Including Bills, Credit notes, Disbursements, Receipts and Payments.

Below is a picture of a typical Client Ledger as seen in the Browser.

The screenshot shows the 'CLIENT & MATTER SEARCH' section with filters for Client No. (STR001), Matter No. (3), Name (Straton), and Matter (demo matter malvern). Below is the 'CLIENT LEDGER' section with a refresh button, a dropdown for 'Office Bank Receipt', a 'Post' button, and a currency dropdown set to 'GBP'. The ledger shows 'Sheet number 1 of 1 (9 postings.)' and a table of transactions.
